Breadshare at Jordan: Caring for those in Need

This past Sunday at Jordan, Nancy Nagel shared with the church about the wonderful work being done by those involved in Breadshare at Jordan. Breadshare is a ministry to those recovering from surgery and illness or in need of an extra meal at home. Gathering in worship on Sundays is difficult for many people that call Jordan their church home

due to illness, fatigue or work. Breadshare volunteers may make meals for a family or make a phone call to see how someone is doing after an extended hospital stay.

If you would like to be part of the group that extends a helping hand to those in need, a sign-up sheet is available at the Welcome Table.

Children's Education Workshop - August 11

Anyone interested in working with children's education during the coming year at Jordan is asked to attend an evening workshop on Wednesday, August 11, at 7 p.m. This workshop will allow all of the volunteer teachers to learn about the scope of Christian Education at Jordan and the schedule for the coming

year. With the launch of age specific classes, the workshop will permit teachers to hear about curriculum and planning for the new classes starting on September 12.

The workshop will be held at the church office which is located across NC 55 in the Apex Professional Park, at 1031 Pemberton Hill Rd, building 1031, Suite 202. If you have any questions please call the office at (919) 303-1613.

Did You Know?

Last week, Jordan Lutheran Church was incorporated in the state of North Carolina and also received its individual Federal Tax Identification number. These are important steps in the life of the church as we continue to grow towards full independence from our partner churches.
